Group price 1.490 € / 4 persons

Group price 1.390 € / 3 persons

Just half an hour from the hotels and shopping centers of Helsinki you can find excellent places for sea, rapids, and pond fishing. On our fishing weekend package we take you sea fishing to the archipelago off the shore of Helsinki on the first day and on the second day you can choose whether you want to go rapids fishing to the Vantaa river or fishing to a forest pond. We make going on a fishing trip easy. Fishing Lords can pick you up from your hotel or if you prefer we can pick you up directly from, for example, the Market Square in central Helsinki after your day of shopping!

Out at sea the catch varies according to the season, from scaly perches to superior pikes, from delicious pikeperch to challenging trout. On the banks of the Vantaa river we fish for brown and rainbow trout. If lake fishing is more your speed a forest pond outside the greater Helsinki area is the place to go.
